Media

Jrodconcerts Media is an American music website and digital media company headquartered in Nashville that publishes music journalism and live entertainment-related content. It is owned by Jamie Rodriguez, who founded the company in 2019 in Miami, Florida.

In a short span, Jrodconcerts Media has cultivated one of the most highly coveted, fiercely loyal, and incredibly engaged music audiences, which has put Jrodconcerts: The Podcast at the top of the charts. Jrodconcerts Media is there to spotlight music cultural moments. Their presence at major music events drives massive awareness, engagement, and viewership in varied demographics.
